

THE COLD CHAIN ASSOCIATION  
OF THE PHILIPPINES

Dear Colleague,

The Cold Chain Association of the Philippines, Inc. (CCAP) is a multi-sectoral grouping of companies and professional organizations involved in the various processes and activities in managing the supply chain for perishable food products.

Over the 21 years of its existence, CCAP has been a staunch advocate of the principles and practices that espouse and promote food safety as a critical prerequisite to food sufficiency and food security.

**CCAP will conduct its 21<sup>st</sup> annual general membership meeting and training conference entitled “THE COLD CHAIN: AT THE FOREFRONT OF FOOD SECURITY” at The Marison Hotel, Legazpi City on June 7 to 9, 2023.** This is in line with CCAP’s pursuit of its mission to promote and upgrade operating practices and standards in the cold chain industry.

We would like to invite your company to partake in this learning experience with us along with other CCAP members and delegates representing various sectors and industry groups. This event shall serve as an update on the latest developments within the various aspects of the cold chain industry and provide insights into new technologies, materials, and equipment that may assist in improving operating efficiencies, productivity, and quality. The conference program also includes tours of industrial facilities, famous tourist attractions in Legazpi City, and fellowship activities to enhance the social interaction among conference participants.

We have enclosed herewith a cost summary sheet showing the various participation options. For inquiries, please contact us at the Office of the CCAP Secretariat telephone no. (632) 8942-3282 or email [info@ccaphils.org](mailto:info@ccaphils.org).

We look forward to your positive response and participation in this undertaking. Thank you.

Very truly yours,  
COLD CHAIN ASSOCIATION OF THE PHILIPPINES, INC.
