

THE COLD CHAIN ASSOCIATION  
OF THE PHILIPPINES

Dear Colleague,

The Cold Chain Association of the Philippines, Inc. (CCAP) is a multi-sectoral grouping of companies and professional organizations involved in the various processes and activities in managing the supply chain for perishable food products.

Over the 15 years of its existence, CCAP has been a staunch advocate of the principles and practices that espouse and promote food safety as a critical prerequisite to food sufficiency and food security.

**CCAP will conduct its 16th annual general membership meeting and training conference entitled “Cold Chain Technology: A Key to Food Safety” at the SMX Convention Center, Bacolod City on June 13 to 15, 2018.** This is in line with CCAP’s pursuit of its mission to promote and upgrade operating practices and standards in the cold chain industry.

We would like to invite your company to partake in this learning experience with us along with other CCAP members and delegates representing various sectors and industry groups. This event shall serve as an update on the latest developments within the various aspects of the cold chain industry, as well as provide insights into new technologies, materials and equipment which may assist in improving operating efficiencies, productivity and quality. The conference program also includes tours to industrial facilities in Davao as well as fellowship activities to enhance the social interaction among conference participants

We have enclosed herewith a cost summary sheet showing the various participation options. For inquiries, please contact us at Office of the CCAP Secretariat telephone no. (632) 641-5690 or (632) 542-4482 or email [info@ccaphils.org](mailto:info@ccaphils.org).

We look forward to your positive response and participation in this undertaking. Thank you.

Very truly yours,  
COLD CHAIN ASSOCIATION OF THE PHILIPPINES, INC.

  
ANTHONY S. DIZON  
President
