

THE COLD CHAIN ASSOCIATION
OF THE PHILIPPINES

Dear Colleague,

The Cold Chain Association of the Philippines, Inc. (CCAP) is a multi-sectoral grouping of companies and professional organizations involved in the various processes and activities in managing the supply chain for perishable food products.

Over the 17 years of its existence, CCAP has been a staunch advocate of the principles and practices that espouse and promote food safety as a critical prerequisite to food sufficiency and food security.

CCAP will conduct its 17th annual general membership meeting and training conference entitled “COLD CHAIN TECHNOLOGY: KEY TO FOOD LOSS/WASTE REDUCTION” at the Iloilo Convention Center, Megaworld Boulevard, Mandurriao, Iloilo City on June 5 to 7, 2019. This is in line with CCAP’s pursuit of its mission to promote and upgrade operating practices and standards in the cold chain industry.

We would like to invite your company to partake in this learning experience with us along with other CCAP members and delegates representing various sectors and industry groups. This event shall serve as an update on the latest developments within the various aspects of the cold chain industry, as well as provide insights into new technologies, materials and equipment which may assist in improving operating efficiencies, productivity and quality. The conference program also includes tours to industrial facilities in Iloilo as well as fellowship activities to enhance the social interaction among conference participants

We have enclosed herewith a cost summary sheet showing the various participation options. For inquiries, please contact us at Office of the CCAP Secretariat telephone no. (632) 942-3282 or (632) 542-4482 or email info@ccaphils.org.

We look forward to your positive response and participation in this undertaking. Thank you.

Very truly yours,
COLD CHAIN ASSOCIATION OF THE PHILIPPINES, INC.

ANTHONY S. DIZON
President
