**At the Formation Center, Missionaries of the Child Jesus
along Estrella St. Cor. Amapola St. Guadalupe Viejo, Makati
(There is car parking available in MCJ Compound and is accessible to
the commuting public)**

The Cold Chain Industry In The Philippines

Mr. Anthony S. Dizon
BSEE, MBA

The forum

The Cold Chain, Purpose and Importance - Socio-Economic Benefits, Market Competitiveness, Regulatory Compliance/General Public Interest
Cold Chain Process Flow
Current State of the Philippine Cold Chain Industry
Outlook for Cold Chain Industry
Challenges to Cold Chain Operators
Cold Chain Association of the Philippines

The resource speaker

Founding and current President of the Cold Chain Association of the Philippines organized in 2002 under the auspices and with the support of the Foreign Agricultural Service, USDA.
President of Koldstor Centre Philippines Inc., a 3rd party logistics company offering warehousing and complete distribution services.
President of Ideamorphosis Inc., owner and operator of a fleet of eutectic refrigeration trucks and supplier of eutectic equipment and other cold chain accessories.
Over 40 years of career experience in Philippine steel manufacturing industry.
Currently involved in policy formulation and strategic planning activities for steel industry development.

For those interested to attend, please register your:

name, corporate/organization/etc. name, contact details:
at info@map-abcdf.com.ph

- Immediate pre-registration is required for venue reservation.
- Forum fee is P300 per person. But the forum fee is optional for members who have paid their 2016 annual dues.
- Cancellation should be done a day before at the latest.
You may forward this invitation to other people who may find this forum of value. Feel free to bring your business cards and product/service brochures to exchange with the attendees.

MAP ABCDF welcomes new members. We meet every week, sometimes two times a week, for our forum. Aside from listening to our resource persons, you will have the opportunity to meet other attendees who are management and technical experts. Many have used these contacts to either start or grow their enterprises. We look forward to your attendance and active participation in our forum. Thank you
